Dance Map Do the dance all the way through **1** time. **The next time**, restart after the pivot turn (you will be facing 6 o'clock), then restart again **after** the ¼ turn cross rock (you will be facing 3 o'clock).

Do the dance all the way through **2** times. **The next time**, restart after the pivot turn (you will be facing 12 o'clock), then restart again **after** the ¼ turn cross rock (you will be facing 9 o'clock).

Every time after that, you will restart after the pivot turn all the way to the end of the song (in other words, you don't do the rocking chair again).

It's really not as difficult as it sounds. Just listen to the music and it will tell you! ☺
