

This is a 32 count 2-wall line dance. Start the dance on the word "gently," which is after a 16 count intro. This dance is basic "nightclub two" ...the rhythm is the same all the way through except for one 4-count section in the last 8 counts. Because the dance works the diagonals, I've included the "clock" directions to try to clarify which way you're stepping or facing.
