Step L to side {5}, step R behind left {6}, step L to side {&}, step R across in front of left {7}, step L to side {&}, touch R beside left {8}

### Easy Tag

This will happen after the 7<sup>th</sup> time you do the dance...you will be facing the 9 o'clock wall. Do the first 4 counts of the dance 4 times, making a ¼ turn right each time, which will bring you back to the 9 o'clock wall to start again.

- 1 2 3 4    R step forward, L touch, L step back making ¼ turn right, R touch (*now facing 12 o'clock*)
- 5 6 7 8    R step forward, L touch, L step back making ¼ turn right, R touch (*now facing 3 o'clock*)
- 1 2 3 4    R step forward, L touch, L step back making ¼ turn right, R touch (*now facing 6 o'clock*)
- 5 6 7 8    R step forward, L touch, L step back making ¼ turn right, R touch (*now facing 9 o'clock*)

\*\*Greg Holland also does a version of this song. If you use his version, the "Easy Tag" will happen the first time you get to the front wall again, and will only be 8 counts. So, do the step back making ½ turn instead of a ¼ turn. This way you will make two ½ turns and be facing the front to start again.
