

This is a super easy, super fun **circle** line dance. Form two circles, preferably with the same number of people (or close to it) in each. The outside circle faces counter-clockwise, the inside circle faces clockwise. Circles should be fairly close together, but try not to be too close to the person in front of you—it could hurt! Have fun, and don't forget to be HAPPY—YEAH, YEAH!!!

1 2 3 4

**L toe strut, R toe strut**

Step L toe forward, drop L heel, step R toe forward, drop R heel

5, hold 6, 7, hold 8

**L heel forward, hold, L toe back, hold**

Touch L heel forward, hold count 6, touch L toe back, hold count 8—*during the chorus, wave your hands in the air and join in on the “Yeah, Yeah!”*

1 2 3 4 5 6 7 8

**Repeat above 8 counts**

1 2 3 4

**L vine\***

Step L to side, step R behind left, step L to side, touch R beside left--*do this while passing between the two people beside you in the other circle—in doing this, you will vine on a slight diagonal, which will make the circle move forward*

5 6 7 8

**R vine\***

Step R to side, step L behind right, step R to side, touch L beside right--*do this while passing between the two people beside you in the other circle—in doing this, you will vine on a slight diagonal, which will make the circle move forward*

1 2 3 4 5 6 7 8

**Repeat above 8 counts\***

\*When you do these four vines, you are basically weaving in and out of the other circle. You will end up in your original spot (if you were the outside circle, you will always start the dance in the outside circle). Be careful and have fun!
